

best home-cooked food around. Its website proudly and accurately proclaims, "Yankee Cooking at its Best Since 1918." On the occasion of this important milestone, the restaurant joins an eclectic group of some 240 American restaurants that have achieved centennial status.

Mr. Speaker, I'm warning you. Take just a glance at the Wayside's diverse menu and your mouth will water: old-fashioned country breakfast, chicken pie, country fried steak, meatloaf, casseroles, fresh muffins and home-made pies.

But the Wayside is so much more than a good restaurant. For the thousands of Vermonters and visitors who walk through its doors every year, it provides comfort, fellowship and a sense of community rivaled by few. While dining on good food, customers catch up with friends and neighbors, trade gossip, and debate current events.

Owners Brian and Karen Zecchinelli have been at the helm for over 20 years. The restaurant has been in Karen's family for over 50 years. Their employees are familiar and friendly faces. Many have been on the job for ten years or more. And in a tribute to their good service, the aprons of retired employees hang proudly in the rafters.

The Wayside Restaurant has been part of the fabric of Vermont for 100 years. It is a shining example of a small business committed to good service, quality products, and socially responsible operations. I urge all Members of the House of Representatives to stop by the Wayside if you find yourself navigating the hills of central Vermont. But be careful—you won't want to leave.

#### CELEBRATING THE LIFE OF LOIS FITCH

### HON. DAVID SCHWEIKERT

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 24, 2018*

Mr. SCHWEIKERT. Mr. Speaker, I rise today to celebrate the life of Lois Fitch who passed away on July 23, 2018. Throughout all of my life, I have known Lois as someone who dedicated herself to helping young people find ways to become more meaningfully engaged in their community. Through her work leading the Teenage Republicans, Lois helped so many individuals find their place in the civics of working to improve our town, state, country, and America's place in the world. Lois epitomized a leader. She was kind and gracious to all. She was encouraging and supportive in helping others find their passions. She was the reason I decided to run for elective office. And, she has inspired me and so many others to serve on all levels of government. This past Sunday I had a chance to visit with Lois in the hospital. As I shared with her then, I will share here in the United States Congress—"Lois, you changed me for the better, and I will forever be grateful for your courage and service." May the flag of the United States Capitol fly in full tribute to her.

After retiring from service, Major Spooner turned his passion for good food into his full-time job by opening his restaurant in Quantico and due to a fire, relocated to Triangle in 1973 and then in 2008 to Stafford, Virginia.

Major Spooner opened his restaurant as a way to honor the brave men and women who live to serve and protect our great country. The Globe and Laurel intends to proudly honor the history and service of the Marine Corps by serving delicious food and offering unmatched customer service. On display at the restaurant is an extensive collection of military memorabilia, including a Medal of Honor and Victoria Cross. Additionally, the restaurant has been recognized and praised in numerous periodicals and television shows for its fine dining, atmosphere, and camaraderie. HONORING THE 100TH ANNIVERSARY OF THE AMERICAN LEGION

### HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 24, 2018*

Ms. MCCOLLUM. Mr. Speaker, I rise today to congratulate the American Legion on its 100th anniversary and to welcome the 2018 national convention back to Minnesota where this venerable organization had its founding convention November 10–12, 1919. It is a special privilege to recognize the host of this historic gathering, the American Legion Department of Minnesota. Minnesotans are honored to welcome Legionnaires from across America. We are grateful for the many contributions the American Legion makes on behalf of all men and women who have worn the uniform through its 2.3 million members in 14,000 posts in communities across the United States. We also welcome National Commander Denise Rohan, the first woman to serve as National Commander of the American Legion.

Only steps away from where this year's convention is being held in Minneapolis, the American Legion was founded 100 years ago. The American Legion is a voice for those who served in the U.S. Armed Forces and to assist veterans who were disabled through their service. Since its founding, the American Legion has been a driving force expanding services provided by the Federal Government for our nation's veterans and their families, including creation of the forerunner to the modern-day Department of Veterans Affairs. As the American Legion's advocacy and vision continued, services for veterans improved. In 1922, the American Legion Department of Minnesota created the Minnesota American Legion Hospital Association to provide medical care to veterans and their dependents at little or no cost. This groundbreaking effort helped to build the extensive hospital and clinic system of the VA Health Care Administration.

Since the founding of the American Legion, women have been vital to the successful advocacy efforts on behalf of veterans. One hundred years ago, a Legion women's auxiliary group began to form robust child-welfare and hospital visitation programs. As a life member of the American Legion Auxiliary Post No. 39, North Saint Paul, Minnesota, I know firsthand
